Professional Development and Networking Event

Wednesday, February 12, 2014

3 Speakers On “Sustainable Techniques Being Used Effectively in Today’s Building Design and Construction”

Speaker: Mitesh Smart

Lead by: Mitesh Smart, PE LEED AP,
President/Principal Engineer of Milan Engineering

After earning a Bachelor’s Degree in Mechanical Engineering from the University of Florida, Mr. Smart began his career with HVAC and Plumbing Systems design in the Space/Government Industry. With his Mechanical Professional Engineering License, several years of experience working on large-scale and highly technical projects and an entrepreneurial spirit, Mitesh started Milan Engineering. As President/Principal Engineer of Milan Engineering, Mr. Smart oversees the firm’s management and culture to ensure the highest level of client service. In 2010, while the economy was down, Mitesh earned his Electrical PE. He is dually licensed in both mechanical and electrical engineering and is the Engineer of Record for all of the firm’s projects. Mitesh has 20 years of experience in MEP Systems design and is also LEED accredited. His commitment to meet budget constraints and create efficient and innovative designs, while maintaining the highest level of design standards is of the utmost importance to Mitesh.

Time Is Running Out ... Bridge Exam Deadlines Approaching

Do you have C.P.M. certification? Will you benefit from bridging to the CPSM®? If so, you are encouraged to begin preparing and to be mindful of these upcoming deadlines:

- December 31, 2014 — Last day to register for the CPSM® Bridge Exam
- December 31, 2015 — Last day to sit for the CPSM® Bridge Exam

The Bridge Exam covers contemporary content and material not covered in the C.P.M. Exams and comprises 180 questions. There are still a number of active C.P.M.s who have not taken advantage of this opportunity, even though the CPSM® grows in marketplace demand.

What does the Bridge Exam test?

Tasks	
Contracting/Negotiations	Organization/Department Assessment
Cost/Finance	Planning
International	Product Development
Social Responsibility	Project Management
Sourcing	Quality
Supplier Relationship Management	Leadership
Forecasting	Risk and Compliance
Logistics	Strategic Sourcing
Materials & Inventory Management	

Details coming soon on the CPSM Bridge Review class offered by ISM-CF.

Certification Exam Review

To help you successfully pass the certification exams, ISM-CF is providing review classes for Certified Professional Supply Manager (CPSM) certification exams.

The next CPSM Exam Reviews will be held on the following dates:

03/15/14	Exam 3	CPSM Review
----------	--------	-------------

Ed Wainwright, C.P.M., APP will be instructing the classes using the ISM training materials. Ed taught ISM-CF's C.P.M. review classes from 1985 until 2006. In 2011, he attended the ISM Trainer Course and has taught numerous CPSM Review classes since. The classes provide excellent knowledge and resources to attendees.

The reviews will be held at the OUC Gardenia Facility training room located at 3800 Gardenia Ave, Orlando, FL 32839, from 8:00am to 5:00pm. The cost per review is \$50.00 for ISM-CF members, \$75 for other ISM members and \$100.00 for non-members.

Individuals taking the classes should purchase the CPSM Study Guide and the CPSM Diagnostic Exam. The materials used during the review classes are also an excellent guide for individual study after the class.

Registration is available at www.ism-cf.org. If you have any questions, please contact Ed Wainwright at (407) 348-2489 or ed_wainwright@hotmail.com.

Stay tuned for future dates.
